Subject: Authorization to Release Reclamation Surety, $17,000 Certificates of Deposit
            #046-9272868 and 046-9272918, Anderson Engineering, Co, Inc., Garrison
            Quarry, S/049/046, Utah County, Utah

Dear Mr. Bischoff:

The Division is presently holding two Certificates of Deposit (#046-9272868 in
the amount of $5,000 and #046-9272918 in the amount of $12,000), as a form of
reclamation surety for Anderson Engineering Co., Inc.'s Garrison Quarry Mine Site.

Anderson Engineering Co., Inc., has recently transferred the Garrison Quarry to
another entity who has taken over the responsibility of the site and has posted their own
reclamation surety for this site. Therefore, this letter serves as authorization for Zions
First National Bank to release the two Certificates as noted and return the funds to Virgil
Anderson, Anderson Engineering, Co., Inc., 977 West 2100 South, Salt Lake City, Utah
84119. We understand that a 3-month interest penalty may apply for early withdrawal of
the certificates and, therefore, Anderson Engineering would not receive the total $17,000
as originally posted. When this transaction has been accomplished, please furnish us with
written confirmation that the full release of this surety has been completed.

If you have any questions or concerns regarding this action, please contact Mark
Mesch at (801) 538-5349, or Daron Haddock at (801) 538-5325. Thank you for your
assistance in this matter.

Sincerely,

Mary Ann Wright
Acting Director
